Selling Points

1 A Floating Design that Tilts for Touch

Experience touch and productivity with the award-winning Acer Aspire® 5600U All-in-One PC. This 23" touch-screen display is housed in an ultra-thin 1.4"(35 mm) transparent, floating design that brings style and elegance to any space.

Adjust the A5600U to virtually any viewing angle—from 30 to 80 degrees—with one hand. The anti-scratch glass finish facilitates an intuitive 10-point multi-touch experience for smooth interaction and simplified hand gesture control.

The included keyboard and mouse match the 5600U's floating design, while a VESA wall-mount kit lets you streamline your décor with a clean, uncluttered appearance.

2 Premium Sights and Sounds

Enjoy brilliant visuals on the stunning 23" Full HD widescreen 1080p edge-to-edge LED-backlit display. Connect to an external monitor, projector or TV through a single cable using HDMI® for big-screen enjoyment. Share your favorite HD media with friends and family!

Immerse your movies, music and gaming in virtual surround sound, thanks to Acer 2Wx4 speakers by CONEQ™ sound technology from Real Sound Lab.

Watch all the videos in your library plus burn DVDs and CDs of your favorite music, digital photos and movies, with the SuperMulti double-layer optical drive.

With AcerCloud, your PC's storage IS your cloud storage, with wireless access to your photos, music, videos and documents—wherever you are, on any PC, on all your devices!

3 Full Speed Ahead

A 3rd Generation Intel® Core™ i5 processor with Turbo Boost Technology and 6GB memory deliver the seamless multitasking performance needed to take advantage of the latest in digital media, photography and gaming. With Intel® HD Graphics, enjoy an integrated solution that delivers excellent speed and functionality.

USB 3.0 is so fast you can transfer a 250GB movie in a mere 70 seconds. That's because USB 3.0 works up to 10 times faster than older USB 2.0.

The new Windows® 8 has been re-imagined to be all about you. Put what matters most right on your Start screen, and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing. Windows® 8 is smooth, intuitive, and designed to let you do what you want, the way you want.

Minimalist Design, Maximum Functionality

Positioning Statement

Simply stunning! The 1.4" (35 mm) thin Acer Aspire® A5600U All-in-One Desktop delivers the power of a multimedia PC with the comfort and convenience of a tablet-like touch experience, showcased in an elegant, floating design that lights up any room. The stylish 23" Full HD edge-to-edge display delivers Full HD entertainment, accompanied by sumptuous sound. Powerful 3rd Generation Intel® Core™ i5 processor performance, Windows® 8, 6GB memory and 1TB storage make it easy to complete tasks quickly, access media and more.
