LONG BEACH, CA, November 21, 2016 - Lanny Cordola & The MLK's proudly present **PEACE JAM III**, the third annual benefit concert for children living in poverty and conflict zones.

After the overwhelming success of **PEACE JAM 2014 and 2015**, the stage is set for a third installment on Sunday, November 27, at the Gaslamp Restaurant & Bar in Long Beach, California.

Doors open at 5:30 PM with a special evening of music to follow. Dinner Reservations are highly recommended as seating will be limited.

PEACE JAM III features an impressive roster of talent, including a special appearance by **John Stamos**, star of TV's *Scream Queens* and *Full House*.

In addition to playing drums, John will reprise his *Full House* role as bandleader of **Jesse & The Rippers** for an exclusive performance.

Also scheduled to appear are rapper **Sen Dog (Cypress Hill)**, singer **Andy Vargas (Santana)**, singer **Michelle Coltrane**, singer **Philip Bardowell (Beach Boys)**, keyboardist **Gary Griffin (Beach Boys, Brian Wilson)**, singer **Chris Farmer (Beach Boys)**, guitarist **Randell Kirsch (Beach Boys)**, **Krigger (Giuffria, Ike & Tina Turner)**, singer **Lexi Luyben**, singer / songwriter **Kern Richards**, **Scott Breadman**, **Eric Hirschhorn**, **Madi Vogt**, **Blake Rehling**, **Ron Thomas**, **Brooke Hamburg**, **Samantha Stark**, **William Dagsher**, and the amazing kid band **Random**. Other special guests to be announced.

"The funds we generated through previous **PEACE JAMs** were used to provide for a family in Afghanistan who lost three family members to a suicide bombing including two young sisters Parwana and Korshid. They now live in a nicer home with running water and electricity, the kids are

going to school, and a better quality of life is now a reality," Cordola says. "With **PEACE JAM III**, we will continue to help this family and others in need, including continuing our project 'Girl With A Guitar,' to teach girls in poor areas the guitar."

Cordola began his journey through Pakistan and Afghanistan in 2010, collaborating with musicians on a peace-through-music project. "After visiting and meeting many kids who were living in poverty stricken areas and conflict zones, I decided to raise funds on their behalf," the musician recalls.

In February 2016, Lanny moved to Kabul, Afghanistan, where he plays and teaches guitar to children in schools, internally displaced persons (IDP) camps, on the street and in the Miraculous Love Kids Center.

"These Miraculous Love Kids' lives are important, just as all our lives are important. I've become their friend, their advocate, their song and dance man."
