

[Home](#) > [Pharmacy](#) > COVID-19 Vaccine

Now offering the FREE* COVID-19 Vaccine

Schedule an appointment for the vaccine in select stores based on local eligibility guidelines.

No cost with insurance or through federal program for the uninsured.

Whether you are vaccinated or hoping to be soon, share what you can't wait to be #OneStepCloser to. >

Schedule your COVID-19 vaccine at CVS Pharmacy®

First, check availability in your area. Then, schedule your complete vaccine, both first and second doses (if needed), at the same time online.

If you've already received your first dose and need the second, we can help.

[Schedule your second dose at CVS Pharmacy.](#)
