

Your appointment details

Hi Test,

We're confirming your COVID vaccine(s). Please keep this message as it contains important information about your appointment, and what to do if your plans change.

Here are your appointment details.

Vaccine:
COVID-19

Manufacturer:

When:
06/24/21
at 10:00 AM

Where:
1 cvs dr STE 100
Woonsocket, RI 02895

 [Add to calendar](#)

 [Get directions](#)

On the day of your appointment:

- Drink at least 16 ounces of water 1 hour before your appointment to help prevent side effects
- Please arrive 5 to 10 minutes before your scheduled appointment to check in. Arriving late for your appointment may result in an extended wait time

- Bring your ID and insurance card, voucher or other coverage
- Don't forget a face covering—wearing it throughout your visit is required
- When you arrive, please check in at the pharmacy area inside the store or follow the signs for the vaccine(s)

Here's what to expect

Video: What to expect the day of your COVID-19 vaccination

Here is a 2-minute video with a few tips to help make your COVID-19 vaccination experience easy.

[Watch video](#)

CVS tips for vaccine shots:

- Wearing short sleeves makes getting a shot easier and faster
- If you must wear long sleeves, dress in layers with the short sleeves underneath
- [Review the patient fact sheet for vaccine](#)

What to do if you feel sick or have COVID-19 symptoms:

- Contact your health care provider immediately
- If your provider recommends it, [get tested for COVID-19](#)

- [Manage your appointment\(s\)](#)
- Don't come to the pharmacy
- Schedule a new appointment when you're well

After your vaccine:

- Be prepared to stay for 15 to 30 minutes after the COVID-19 vaccination so you can be observed for side effects
- If you experience side effects from your COVID-19 vaccine, you may find some guidance at the [COVID-19 Vaccination Resource Center](#)
- The CDC has created a way for you to report how you feel after the COVID-19 vaccination through a smartphone-based tool that uses text messaging and web surveys to check in with you. [Learn about v-safe and sign up today](#)
- If your side effects are lasting longer or more severe than expected, watch our [COVID-19 Vaccination Side Effects Video](#) to learn how MinuteClinic[®] can help

What do you think?

Thanks for scheduling your vaccine with us. We'd love to know how it went. By taking our short survey, you'll help us make booking appointments a better experience for everyone we serve.
