

# Schedule dose

Choose where and when you want your vaccine appointment. Once you select a time slot, we'll hold it up to 30 minutes while you complete registration.

All fields are required.

## Search a ZIP code or city & state

Search by entering your 5-digit ZIP or your city & state. For example, "02124" or "Boston, MA."

**Use my device location**

## Select dose date

Monday: November 1, 2021

Available times will show once you choose a date. The page will refresh each time you select.

## Select a location and time
