

RotoDrive™ USB Flash Drive

Sales Sheet

The Memorex RotoDrive portable flash storage device is ideal for both multipack and check lane opportunities! The ultra compact and affordable Memorex RotoDrive is available in single and three pack configurations in some of the most popular flash drive capacities.

Featuring a swiveling capless design, the Memorex RotoDrive ensures you will never lose another USB connector cap again. The compact form factor is perfectly suited for tightly spaced USB ports and the included key ring makes transporting files from home, work or school a breeze. Featuring SecureTD™ security software with password protection and an LED light that indicates when files are being transferred, the RotoDrive keeps your video, photo, movie and data files safe and secure.

Features & Benefits:

- Capless Design – Never Lose Another Connector Cap Again
- Compact Form Factor for Easy Portability
- Includes SecureTD Security Software, Featuring Password Protection (PC only)
- LED Indicates Drive Status
- Cross-Platform Compatible – Works with Windows (including Vista), Mac and Linux
- Includes Key Ring
